Notice to Constellation Energy's Financial Community:

CONSTELLATION BUSINESS UPDATE  
CONFERENCE CALL / WEBCAST SCHEDULE

Today we are announcing that Constellation has reached a long-term agreement with worldwide sustainability leader, Microsoft, to bring Crane Clean Energy Center (CCEC), formerly Three Mile Island Unit 1, online in 2028 and restore 835 MW of clean, reliable energy to the grid.

Constellation Energy will host a conference call today, **Friday, September 20, at 8:30 AM Eastern Time**, to discuss the announcement.

To access the call by phone, please follow the [registration link](#), and you will be provided with dial-in details. To avoid delays, we encourage participants to dial into the conference call fifteen minutes ahead of the scheduled start time.

You will also be able to listen to a live audio webcast [here](#). The link is also available on the Investor Relations page of Constellation Energy's website (<https://investors.constellationenergy.com/>). The webcast will be archived and available for replay.
